

REPORT TO: PENSION SUB-COMMITTEE OF THE CITY GOVERNANCE COMMITTEE & PENSION BOARD– 23 MARCH 2026

REPORT ON: TAYSIDE PENSION FUND – AUDIT SCOTLAND ANNUAL AUDIT PLAN 2025/26

REPORT BY: EXECUTIVE DIRECTOR OF CORPORATE SERVICES

REPORT NO: 78-2026

1 PURPOSE OF REPORT

This report provides a summary of the responsibilities and approach of Audit Scotland in respect of Tayside Pension Fund for 2025/26.

2 RECOMMENDATIONS

The Sub-Committee is asked to:

- Note the contents of the report by Audit Scotland (Appendix A)
- Provide Audit Scotland with confirmation of any instances of actual, suspected or alleged fraud, as a requirement of the revised International Standard on Accounting (ISA) 240.

3 FINANCIAL IMPLICATIONS

Tayside Pension Fund’s audit fee is determined in line with Audit Scotland’s fee setting arrangements. The proposed audit fee for the 2025/26 audit is £37,210.

4 MAIN TEXT

4.1 Following Audit Scotland’s appointment as external auditor for Dundee City Council for four years from 2022/23, they have produced the above report outlining the planned approach to the audit of Tayside Pension Fund (“the Pension Fund”) for the year ending 31 March 2026. The document sets out the statutory and professional responsibilities in terms of the Code of Audit Practice and also outlines their key audit objectives.

4.2 The report in appendix A sets out information on the proposed audit approach focussing on the key issues and risks facing the Pension Funds in terms of corporate governance arrangements, ownership and valuation of investments, regulatory and accounting compliance and other issues relevant to the opinions on the financial statements. The document also sets out the key stages of the planned audit process, together with a summary of procedures for working with internal audit, materiality considerations and arrangements for communication and reporting.

5 POLICY IMPLICATIONS

This report has been subject to the Pre-IIA Screening Tool and does not make any recommendations for change to strategy, policy, procedures, services or funding and so has not been subject to an Integrated Impact Assessment. An appropriate senior manager has reviewed and agreed with this assessment.

6 CONSULTATION

The Chief Executive and Head of Democratic and Legal Services have been consulted in the preparation of this report.

Introduction

Purpose of the Annual Audit Plan

1. The purpose of this Annual Audit Plan is to provide an overview of the planned scope and timing of the 2025/26 audit of Tayside Pension Fund's annual report and accounts. It outlines the audit work planned to meet the audit requirements set out in [auditing standards](#) and the [Code of Audit Practice](#), including supplementary guidance.

Appointed auditor and independence

2. Rachel Browne, of Audit Scotland, has been appointed by the Accounts Commission as external auditor of Tayside Pension Fund for the period from 2023/24 until 2026/27. The 2025/26 financial year is therefore the third year of her four-year audit appointment.

3. Rachel Browne and the audit team are independent of Tayside Pension Fund in accordance with relevant ethical requirements, including the Financial Reporting Council's Ethical Standard. This standard imposes stringent rules to ensure the independence and objectivity of auditors. Audit Scotland has robust arrangements in place to ensure compliance with ethical standards. The arrangements are overseen by the Executive Director of Innovation and Quality, who serves as Audit Scotland's Ethics Partner.

4. The Ethical Standard requires auditors to communicate any relationships that may affect the independence and objectivity of the audit team. There are no such relationships pertaining to the audit of Tayside Pension Fund to communicate.

Audit scope and responsibilities

Scope of the audit

5. The audit is performed in accordance with the Code of Audit Practice, including supplementary guidance, International Standards on Auditing (UK), and relevant legislation. These set out the requirements for the scope of the audit which includes:

- An audit of the financial statements and an opinion on whether they give a true and fair view and are free from material misstatement.
- An opinion on statutory other information published with the financial statements in the annual report and accounts, namely the Management Commentary, Annual Governance Statement and the Governance Compliance Statement.
- Conclusions on Tayside Pension Fund's arrangements in relation to the wider scope areas: Financial Management, Financial Sustainability, Vision, Leadership, and Governance, and Use of Resources to Improve Outcomes.
- Reporting on Tayside Pension Fund's arrangements for securing Best Value.
- Provision of an Annual Audit Report setting out significant matters identified from the audit of the annual report and accounts and the wider scope areas specified in the Code of Audit Practice.

Responsibilities

6. The Code of Audit Practice sets out the respective responsibilities of the audited body and the auditor. A summary of the key responsibilities is outlined below.

Auditor's responsibilities

7. The responsibilities of auditors in the public sector are established in the Local Government (Scotland) Act 1973. These include providing an independent opinion on the financial statements and other information reported within the annual report and accounts, and concluding on Tayside Pension Fund's arrangements in place for the wider scope areas.

Tayside Pension Fund's responsibilities

8. Tayside Pension Fund has primary responsibility for ensuring proper financial stewardship of public funds, compliance with relevant legislation

and establishing effective arrangements for governance, propriety and regularity that enables it to successfully deliver its objectives. The features of proper financial stewardship include:

- Establishing arrangements to ensure the proper conduct of its affairs.
- Preparation of an annual report and accounts, comprising financial statements that give a true and fair view and other information.
- Establishing arrangements for the prevention and detection of fraud, error and irregularities, and bribery and corruption.
- Implementing arrangements to ensure its financial position is soundly based.
- Making arrangements to secure Best Value.
- Establishing an internal audit function.

Communication of fraud or suspected fraud

9. In line with ISA (UK) 240 (The Auditor's Responsibilities Relating to Fraud in an Audit of Financial Statements), in presenting this plan to the Pension Sub Committee we seek confirmation from those charged with governance of any instances of actual, suspected or alleged fraud that should be brought to our attention. Should members of the committee have any such knowledge or concerns relating to the risk of fraud within Tayside Pension Fund, we invite them to communicate this to the appointed auditor for consideration. Similar assurances will be sought as part of the audit completion process.

Audit of the annual report and accounts

Introduction

10. The audit of the annual report and accounts is driven by materiality and the risks of material misstatement in the financial statements, with greater attention being given to the significant risks of material misstatement. This chapter outlines materiality, the significant risks of material misstatement that have been identified, and the impact these have on the planned audit procedures.

Materiality

11. The concept of materiality is applied by auditors in planning and performing an audit, and in evaluating the effect of any uncorrected misstatements on the financial statements or other information reported in the annual report and accounts.

12. Broadly, the concept of materiality is to determine whether matters identified during the audit could reasonably be expected to influence the decisions of users of the financial statements. Auditors set a monetary threshold when determining materiality, although some issues may be considered material by their nature. Therefore, materiality is ultimately a matter of the auditor's professional judgement.

13. The materiality levels determined for the audit of Tayside Pension Fund are outlined in [Exhibit 1](#).

Exhibit 1

2025/26 Materiality levels for Tayside Pension Fund

Materiality	Tayside Pension Fund
Materiality – based on an assessment of the needs of users of the financial statements and the nature of Tayside Pension Fund's operations, the benchmark used to determine materiality is net assets based on the audited 2024/25 financial statements. Materiality has been set at 2% of the benchmark.	£111 million
Performance materiality – this acts as a trigger point. If the aggregate of misstatements identified during the audit exceeds performance materiality, this could indicate that	£72 million

Materiality**Tayside Pension Fund**

further audit procedures are required. Using professional judgement, performance materiality has been set at 65% of planning materiality.

Reporting threshold – all misstatements greater than the reporting threshold will be reported.

£5.5 million

Source: Audit Scotland

Significant risks of material misstatement to the financial statements

14. The risk assessment process draws on the audit team's cumulative knowledge of Tayside Pension Fund, including the nature of its operations and its significant transaction streams, the system of internal control, governance arrangements and processes, and developments that could impact on its financial reporting.

15. Based on the risk assessment process, significant risks of material misstatement to the financial statements have been identified and these are summarised in [Exhibit 2, page 7](#). These are the risks which have the greatest impact on the planned audit approach, and the planned audit procedures in response to the risks are outlined in Exhibit 2.

16. The risk assessment process is an iterative and dynamic process. The assessment of risks set out in this Annual Audit Plan and Exhibit 2 may change as more information and evidence is obtained over the course of the audit. Where such changes occur, these will be reported to Tayside Pension Fund and those charged with governance, where relevant.

Exhibit 2

Significant risks of material misstatement to the financial statements

Risk of material misstatement	Planned audit response
<p>Fraud caused by management override of controls</p> <p>Management is in a unique position to perpetrate fraud because of management's ability to override controls that otherwise appear to be operating effectively.</p>	<p>The audit team will:</p> <ul style="list-style-type: none"> • Evaluate the design and implementation of controls over journal entry processing. • Make inquiries of individuals involved in the financial reporting process about inappropriate or unusual activity relating to the processing of journal entries. • Test journals entries, focusing on those that are assessed as higher risk, such as those affecting

Risk of material misstatement	Planned audit response
	<p>revenue and expenditure recognition around the year-end.</p> <ul style="list-style-type: none"> • Evaluate significant transactions outside the normal course of business. • Assess the adequacy of controls in place for identifying and disclosing related party relationships and transactions in the financial statements. • Assess changes to the methods and underlying assumptions used to prepare accounting estimates and assess these for evidence of management bias.

Key audit matters

17. The Code of Audit Practice requires public sector auditors to communicate key audit matters. Key audit matters are those matters, that in the auditor's professional judgement, are of most significance to the audit of the financial statements and require most attention when performing the audit.

18. In determining key audit matters, auditors consider:

- Areas of higher or significant risk of material misstatement.
- Areas where significant judgement is required, including accounting estimates that are subject to a high degree of estimation uncertainty.
- Significant events or transactions that occurred during the year.

19. In addition to the significant risks of material misstatement in Exhibit 2, we have identified two areas of specific audit focus due to the level of estimation involved in their valuation: the valuation of level three investments and the actuarial valuation of promised retirement benefits. These will be reported on as key audit matters in the Annual Audit Report.

20. Tayside Pension Fund held £627 million of level three investments at 31 March 2025. There are no observable inputs available for level three investments and therefore the valuation of these investments involves a significant degree of subjectivity, and valuations are estimated using specialist assumptions. Changes in the assumptions can result in material changes to the valuation of investments. To address this risk we will:

- Evaluate the design and implementation of controls over the valuation of level three investments.

- Evaluate the competence, capabilities, and objectivity of the investment manager.
- Obtain an understanding of the management's involvement in the valuation process to assess if appropriate oversight has occurred.
- Agree year-end valuations to valuation reports, or equivalent, prepared by investment managers.
- Review the appropriateness of the key data and assumptions used by management for the valuation of level three investments, and challenge these where required.
- Perform substantive analytical procedures on level three investments, using forecasts and market movements, to determine the reasonableness of valuations at the year-end.
- Review investment managers' controls reports to identify if there are any issues that impact on the planned audit procedures.

21. The actuarial valuation of promised retirement benefits is based on a range of financial and demographic estimations about the future including investment returns, contribution rates, commutation assumptions, pensioner mortality, discount rates and earning assumptions. The subjectivity around these estimates gives rise to a risk of material misstatement in the financial statements. To address this risk we will:

- Assess the competence, capabilities, and objectivity of the actuary in line with ISA 500.
- Review the information provided to the actuary by the pension fund.
- Review the assumptions used by the actuary to reach the valuation of future retirement benefits.
- Review officers' arrangements for ensuring the completeness and accuracy of professional estimations for pensions.

22. The matters determined to be key audit matters will be communicated in the Annual Audit Report. Exhibit 2 outlines the significant risks of material misstatement to the financial statements that have been identified.

Wider scope and Best Value

Introduction

23. Reflecting the fact that public money is involved, the Code of Audit Practice requires that public audit is planned and undertaken from a wider perspective than in the private sector. The wider scope audit set out by the Code of Audit Practice broadens the audit of the annual report and accounts to include consideration of additional aspects or risks in four wider scope areas, which are summarised below:

- **Financial Management** – this means having sound budgetary processes. Factors that can impact on Tayside Pension Fund being able to secure sound financial management include the strength of the financial management culture, accountability, and arrangements to prevent and detect fraud, error and other irregularities, bribery and corruption.
- **Financial Sustainability** – this means looking forward over the medium and longer term in planning the services to be delivered and how they will be delivered effectively. This is assessed by considering Tayside Pension Fund’s medium to longer-term planning for service delivery.
- **Vision, Leadership and Governance** – this means having a clear vision and strategy, with set priorities within the vision and strategy. This is assessed by considering the clarity of plans in place to deliver the vision and strategy and the effectiveness of the governance arrangements to support delivery.
- **Use of Resources to Improve Outcomes** – this means using resources to meet stated outcomes and improvement objectives through effective planning and working with partners and communities. This is assessed by considering Tayside Pension Fund’s arrangements for ensuring resources are deployed to improve strategic outcomes, meet the needs of service users, and deliver continuous improvement.

24. A conclusion on the effectiveness and appropriateness of arrangements Tayside Pension Fund has in place for each of the wider scope areas will be reported in the Annual Audit Report.

Best Value

25. Tayside Pension Fund is a pension fund that is administered by Dundee City Council. As pension funds are not local authorities or

separate bodies that fall within section 106 of the Local Government (Scotland) Act 1973, the statutory responsibility for securing Best Value for the pension fund lies with the administering local authority, Dundee City Council.

26. Therefore, consideration of the arrangements in place to secure Best Value will be carried out as part of the Dundee City Council audit, and a conclusion on those arrangements and any matters relevant to Tayside Pension Fund will be reported in the Annual Audit Report.

Significant wider scope and Best Value risks

27. No significant risks in the wider scope areas or Best Value were identified from the risk assessment process.

Reporting arrangements, timetable and audit fee

Audit outputs

28. The outputs from the 2025/26 audit include:

- This Annual Audit Plan.
- An Independent Auditor's Report to Tayside Pension Fund and the Accounts Commission setting out opinions on the annual report and accounts.
- An Annual Audit Report to Tayside Pension Fund and the Accounts Commission setting out significant matters identified from the audit of the annual report and accounts, conclusions from the wider scope and Best Value audit, recommendations, where required, and any good practice identified.

29. The matters to be reported in the outputs will be discussed with Tayside Pension Fund for factual accuracy before they are issued. All outputs from the audit will be published on [Audit Scotland's website](#), apart from the Independent Auditor's Report, which is included in the audited annual report and accounts.

30. Target dates for the audit outputs are set by the Accounts Commission. In setting the target dates for the audit outputs, consideration is given to the statutory date for approving the annual report and accounts, which is 30 September 2026 for local government bodies.

31. The Independent Auditor's Report and Annual Audit Report are planned to be issued by the target date of 30 September 2026.

Audit timetable

32. Achieving the timetable for production of the annual report and accounts, supported by complete and accurate working papers, is critical to delivery of the audit to agreed target dates. [Exhibit 3](#) includes a timetable for the audit, which has been agreed with management. Agreed target dates will be kept under review as the audit progresses, and any changes required, and their potential impact, will be discussed with Tayside Pension Fund and reported to those charged with governance, where required.

Exhibit 3

2025/26 audit timetable

Audit activity	Tayside Pension Fund target date	Audit team target date	Pension sub-committee date
Issue of Annual Audit Plan		23 March 2026	23 March 2026
Choose an item:			
• Consideration of unaudited annual report and accounts by those charged with governance	29 June 2026		29 June 2026
• Submission of unaudited annual report and accounts and all working papers to audit team	30 June 2026		
• Latest date for audit clearance meeting	7 September 2026	7 September 2026	
• Issue of draft Letter of Representation, proposed Independent Auditor's Report, and proposed Annual Audit Report		14 September 2026	28 September 2026
• Agreement of audited and unsigned annual report and accounts	14 September 2026	14 September 2026	
• Approval by those charged with governance and signing of audited annual report and accounts	28 September 2026		28 September 2026
• Signing of Independent Auditor's Report and issue of Annual Audit Report		28 September 2026	

Source: Audit Scotland

Audit fee

33. Tayside Pension Fund's audit fee is determined in line with Audit Scotland's fee setting arrangements. The agreed audit fee for the 2025/26 audit is £37,210 (2024/25 £35,866). This includes a £3,000 fee element for the additional procedures required to audit complex and hard to value assets.

34. In setting the audit fee, it is assumed that Tayside Pension Fund has effective governance arrangements in place and the complete annual report and accounts will be provided for audit in line with the agreed timetable. The audit fee assumes there will be no significant changes to the planned scope of the audit. Where the audit cannot proceed as planned, for example, due to incomplete or inadequate working papers, the audit fee may need to be increased.

35. As the Tayside Pension Fund auditor, we receive assurance requests from employer bodies' auditors. The number and complexity of these requests is increasing and the cost of the audit work required may not be fully contained within the agreed fee set out above. If we require to carry out additional work to respond to assurance requests from employer body auditors, we will charge the pension fund an additional fee. Tayside Pension Fund may choose to recharge the additional fee to the employer bodies.

Other matters

Internal audit

36. Tayside Pension Fund is responsible for establishing an internal audit function as part of an effective system of internal control. As part of the audit, the audit team will obtain an understanding of internal audit, including its nature, responsibilities, and activities.

37. While internal audit and external audit have differing roles and responsibilities, external auditors may seek to rely on the work of internal audit where it is considered appropriate. A review of internal audit's 2025/26 audit plan was carried out to identify if there were any areas where the audit team could rely on its work. The audit team concluded it will not rely on internal audit's work. However, the audit team will review internal audit's reports and assess if there is any impact on the audit.

Audit quality

38. Audit Scotland is committed to the consistent delivery of high-quality audit. Audit quality requires ongoing attention and improvement to keep pace with external and internal changes. Details of the arrangements in place for the delivery of high-quality audits is available from the [Audit Scotland website](#).

39. The International Standards on Quality Management (ISQM) applicable to Audit Scotland for 2025/26 audits are:

- ISQM (UK) 1, which deals with an audit organisation's responsibilities to design, implement, and operate a system of quality management (SoQM) for audits. Audit Scotland's SoQM consists of a variety of components, such as governance arrangements and culture to support audit quality, compliance with ethical requirements, ensuring Audit Scotland is dedicated to high-quality audit through engagement performance and resourcing arrangements, and ensuring there are robust quality monitoring arrangements in place. Audit Scotland carries out an annual evaluation of its SoQM and has concluded it complies with this standard.
- ISQM (UK) 2, which sets out arrangements for conducting engagement quality reviews, which are performed by senior management not involved in an audit, to review significant judgements and conclusions reached by the audit team, and the appropriateness of proposed audit opinions on high-risk audits.

40. To monitor quality at an individual audit level, Audit Scotland carries out internal quality reviews on a sample of audits. Additionally, the Institute of Chartered Accountants of England and Wales (ICAEW) carries out independent quality reviews on a sample of audits.

41. Actions to address deficiencies identified by internal and external quality reviews are included in a rolling Quality Improvement Action Plan, which is used to support continuous improvement. Progress with implementing planned actions is monitored on a regular basis by Audit Scotland's Quality and Ethics Committee.

42. Audit Scotland may periodically seek the views of Tayside Pension Fund on the quality of audit services provided. The audit team would also welcome feedback at any time.
